## Formal inspection

Observations	Area name									
	Playground (Lower Village Green)	Churh Green	Fox Hole / Pinfold	Pump Hill (by road)	Pump Hill (by Orchard)	Millenium Green	Parsons Croft (end of West view)	Nether Green North	not used	not used
Dead tree with trunk greater than 10cm diameter	✗				✗	✗				
Dead tree with trunk less than 10cm diameter										
Dead branch greater than 10 cm diameter										
Dead branch less than 10 cm diameter										
Physical damage or structural defect				✗	✗					
Exposed roots or lifting root plate										
Fungal attack										
Covered in ivy				✗						
Other. Specify.				note 1.		note 2.	note 3.			
None of the above		✗	✗				✗	✗		
Is the current level of risk acceptable? Yes / No. If "No" add to Action list	no	yes	yes	yes	no	no	yes	yes		

Note that unless there is a significant probability that a member of the public may be harmed in the near future the risk may be acceptable even though observations have been recorded.

*note1. One living tree leaning towards road and covered with ivy. Root plate and trunk look ok. Photographed to keep under observation.*

*note2. Living trees in bank over retainang wall. No obvious problems noted. One living tree by road covered in ivy. Both photographed to keep under observation.*

*note 3. Some trees are arguably in the verge on the road side of the fence.*

Date inspected 29/10/17
