

## PARWICH UNITED CHARITIES

### REPORT 13 MAY 2019

The Trustees of the Charities consist of the incumbent of the Parish (Rev. Carollyn MacDonald) who is the Chair, 5 members of the Parish Council and two members of the business community. The Trustees meet as and when necessary to discuss matters to do with the land and any applications for financial assistance, and they also meet near Christmas to discuss donations and dispensations.

The Charity funds are made up of rents from the 5 peices of land and the money received from the Rev. Francis Gibson Charity.

The Trustee distribute donations and dispensations to organisations in the village including the School, the Over 60s Club, and The Vicar. They are also able to make special donations to parishioners who have to make regular visits to hospital or who have been bereaved.

If anyone knows of any parishioners in need then they should contact one of the Trustees and the matter will be dealt with in the strictest confidence.
