

## **PARWICH UNITED CHARITIES**

### **REPORT 16 June 2021**

The Trustees of the Charities consist of the incumbent of the Parish (currently Priest in Charge Rev. Carollyn MacDonald) who is the Chair, 5 members of the Parish Council and two members of the business community. Over the last year the Trustees have met vitually to discuss matters relating to the Charity lands and special donations. They also met in January this year to discuss the distribution of money towards fuel costs for Parishioners. The Trustees are also at present trying to Register all the land with the Land Registry.

The Charity funds are made up of rents from the 5 peices of land and the money received from the Rev. Francis Gibson Charity.

The Trustee distributed donations and dispensations this year to the School, and the Priest in Charge. They are also able to make special donations to parishioners who have to make regular visits to hospital or who have been bereaved or who have other extra needs.

If anyone knows of any parishioners in need then they should contact one of the Trustees or the Clerk and the matter will be dealt with in the strictest confidence.
