

## **PARWICH UNITED CHARITIES**

### **REPORT 17 May 2023**

The Charity consists of the Incumbant of the who is the Chair, (at the present time there is no Incumbant so one of the Parish Councillors is Chair), 5 members of the Parish Council and two members of the community. Over the last year the Trustees have met 4 times to discuss matters relating to the Charity lands and special donations.

The Charity funds are made up of rents from the 5 peices of land and the money received from the Rev. Francis Gibson Charity. All but one of the parcels of land are now let on 7 year Agricultural Business Tenancies.

The Trustee distributed donations and dispensations this year to individuals towards their fuel bills and to The School, Memorial Hall, Church and Parish Council. They are also able to make special donations to parishioners who have to make regular visits to hospital or who have been bereaved or who have other extra needs.

If anyone knows of any parishioners in need then they should contact one of the Trustees or the Clerk and the matter will be dealt with in the strictest confidence.
