Note that unless there is a significant probability that a member of the public may be harmed in the near future the risk may be acceptable even though observations have been recorded.

Note 1. Tree leaning over drive noted previously but does not appear to have changed. Photographed.

Note 2. Checked along path recently cleared through trees to Creamery Lane.

Note 3. Tree on verge side of Parson's Croft boundary fence. Has some smaller dead branches and covering of ivy, but no evidence of immediate significant hazard.

CONCLUSIONS

No change to ownership, usage or other issues to require a change of zoning.

No hazards highlighted by residents since last survey.

No hazard great enough to require further action at this time.
